

DIPLOMA IN MARKETING

Objectives: This course is aimed to provide students with a sound knowledge of current trends and changes in marketing practice, illustrating their understanding through real experiences of marketing. In addition, this course also let students gain knowledge of the internal and external business environment and to develop a range of enterprise skills. Students also will learn to understand and process digital information, learn about the latest devices and gain confidence in this fast-changing area of marketing. Through case studies and engaging activities, students will learn how to create a marketing plan tailored to specific organization needs and to pursue a specialised digital marketing role in a work environment. Graduates of the Diploma in Marketing course can proceed to the Advanced Diploma in Marketing course.

Course Duration: Full time course consists of 6 compulsory modules and 2 optional modules. All modules will be completed within 9 months.

Lesson Time: 15 hours every week. There will be no classes conducted during public holidays and school holidays.

Course Modules: The 6 modules are:-
